EXPERIENCE

2018 / PRES.

GAME DESIGNER + UX DESIGNER

MINDFORCE GAME LAB / UMEÅ

I work as UX and game designer for an upcoming mobile game, creating wireframes for UI and game flows. As a game designer I break down game systems to create a coherent product. I also communicate with different departments making sure a consistent vision is kept, and that everyone has the right documentation to support their tasks.

2018 / 2019

UX DESIGN INTERN

NORTH KINGDOM / SKELLEFTEÅ

During the internship I learned more about the role of a UX designer in a creative agency and got more familiar with creating detailed wireframes, as well as prototyping tools, including Sketch, Figma, Whimsical, and more.

2015 / 2018

GLOBAL GAME JAM ORGANIZER

UMEÅ

I started an official site for Global Game Jam in Umeå. Being the main organizer in a world-scale event required coordinating skills and time management to handle all tasks required for preparing of the venue, communication with participants and other global organizers while maintaining my full-time studies at Umeå Institute of Design.

2014 / 2017

EDITOR + GRAPHIC DESIGNER

WOZZOP, UMEÅ INSTITUTE OF DESIGN / UMEÅ

I took care of the weekly faculty magazine. As an editor I chose the issue's content, scheduled graphic designers, and printed the magazine every Monday. I have also worked as graphic designer, arranging the provided content to fit the 8-page print format.
